Moravian Disaster Response Update: Hurricane Beryl

The Board of World Mission is the agency that helps coordinate the North American Moravian response to disasters around the world. We are currently in communication with our Moravian siblings in Jamaica following Hurricane Beryl's impact on the island. The Rev. Barrington Daley, President of the Moravian Provincial Board in Jamaica, has reported that, while damage from the storm can be seen throughout the country, the greatest damage seems to be in the parishes of Manchester and St. Elizabeth, which are located along the south-central coast. Significant roof damage has been caused to church buildings and the homes of Moravian Church members, and large sections of Jamaica still lack electrical power or access to phones. The BWM has already sent \$10,000 to Jamaica to aid recovery efforts and is awaiting more detailed damage assessments.

You can assist us with our disaster response efforts by going to www.moravianmission.org/give/ and clicking the green "Give" button. Please designate your gift to "MDR". If you wish to mail your donation, please make the check payable to Board of World Mission and send it to the following address:
